The matter is immediately brought to notice Disciplinary Committee of the college by the Principal cum Chairperson of the committee and convened meetings of the said committee on 9th July and again on 13th July, 2026.

All the alleged students were identified and were summoned by the committee for personal appearance along with parents. Accordingly all the alleged students along with their parents appeared before the committee.

After a thorough review of the evidence and statements of the alleged students, the committee had unanimously decided to expel all of these alleged students from the college for their gross misconduct and indiscipline. But the said committee had to review and revoke the stringent punishment after receiving repeated prayers and plea from all the parents and on submission of written undertakings from all the parents and concerned students, declaring all these assurances of not repeating any such misconduct or indiscipline in future and if these acts are found to be committed, they will be directly rusticated without any disciplinary proceedings.

This decision of the discipline committee underscores the college's unwavering commitment and zero tolerance in maintaining discipline, decorum, and the esteemed reputation of the institution. All members of the college community are hereby directed to uphold these standards and to be vigilant against any behavior that contravenes the college's code of conduct.
