কলেজ সঙ্গীত:

নবীনগীতি

নবীনচন্দ্র কলেজ মোদের বদরপুর শহরে,
নাম শুনে তার বক্ষখানি আনন্দে যায় ভরে ।
উনিশশত উনসত্তরে জন্ম হল যার,
চলার পথে সদাই যেন সুনাম বাড়ে তার ।
তার বিকাশে আমরা সবাই যাব কাজ করে,
নাম শুনে তার বক্ষখানি আনন্দে যায় ভরে ।
সকল জাতি সকল ধর্ম সকল ভাষার ঠাঁই,
পবিত্র এই জ্ঞানভূমিতে ভেদাভেদ যে নাই ।
তার কারণে কাজ করে যাই পবিত্র অন্তরে,
নাম শুনে তার বক্ষখানি আনন্দে যায় ভরে ।
লক্ষ্য মোদের বিদ্যালাভ আর সুনাগরিক হওয়া,
দেশ ও দেশের কল্যাণেতে কর্ম করে যাওয়া ।
একই সাথে চলব মোরা সবাই সবারতরে,
নাম শুনে তার বক্ষখানি আনন্দে যায় ভরে ।
বিঘ্ন-বাধায় হার না মেনে কলেজ গড়ে যাঁরা,
সবার কাছে হয়ে গেলেন চির অমর তাঁরা ।
তাঁদের কাছে মোদের ঋণ থাকবে চিরতরে,
নাম শুনে তার বক্ষখানি আনন্দে যায় ভরে ।
অবদান সব নম্র চিন্তে করি যে স্বীকার,
এই কলেজের সুনাম রক্ষায় সবাই অঙ্গীকার ।
যতই বাধা আসুক তাকে সরিয়ে দেব দূরে,
নাম শুনে তার বক্ষখানি আনন্দে যায় ভরে ।

FROM THE DESK OF PRINCIPAL

Dr. Partha Sarathi Das

It is with immense pride and pleasure that I extend my heartfelt greetings to all students aspiring to enroll in the diverse courses offered by Nabinchandra College, Badarpur an esteemed institution of higher education. Established in 1969, this college commenced its humble journey with a focus on the Arts stream under the name Badarpur College, driven by the vision of pioneering community leaders. In 1976, the college was renamed Nabinchandra College, Badarpur, in honor of Lt. Basanta Kumar Das of Karimganj, a major benefactor who generously donated Rs. 50,000 (Fifty thousand rupees) to the college's reserve fund. It is also fitting to acknowledge the generosity of Lt. Abdul Matin Choudhury of Umarpur, who donated 26 bighas of land at Jhum Mouza in support of our institution. The Arts stream came under the Government Deficit Grants-in-Aid System in 1976 and was officially provincialized by the Government of Assam on December 1, 2005. The Commerce stream was introduced in 1996-97 on a venture basis and was provincially recognized from August 14, 2013. The Science stream was launched in 2006 as a venture, and it has since evolved into a comprehensive and dynamic program, encompassing all requisite courses of study. However, the Science stream awaits official provincialization by the Government of Assam. In the academic year 2017-18, the college commenced a Bachelor of Vocation (B.Voc) program in Information Technology, with the support and approval of the Government of Assam. Over the past 57 years, Nabinchandra College has achieved remarkable progress, both academically and infrastructurally. Currently, it offers all four streams Arts, Commerce, Science, and Bachelor in Vocation (Information Technology). Notably, the college provides a unique course: B.Voc in Information Technology, which is unavailable at any other institution affiliated with Assam University, Silchar. Furthermore, the college offers 17 Honours programs and 16 Honours with Research pathways within the Four-Year Undergraduate Programmes (FYUGP) under NEP 2020, starting from the 2023-24 session. Our state-of-the-art ICT-enabled classrooms, along with extensive infrastructural facilities including an air-conditioned central library, digital library, reading room, conference hall, auditorium, gymnasium, museum, lift, health center, canteen, career counseling cell, NCC, NSS, sports facilities, and other essential amenities create an optimal environment for holistic development and academic excellence. These comprehensive facilities and support systems foster a vibrant teaching-learning environment conducive to higher education and research, supported by highly qualified faculty members. I am confident that this upcoming prospectus for 2026-27 will serve as a valuable guide for students, inspiring them to uphold the values of unity, integrity, and discipline, while shaping a bright and promising future.

A. THE COLLEGE

I. Location

The Nabinchandra College (NC. College) Badarpur is situated in the heart of Badarpur, historically an important town in Sribhumi district of South Assam. Badarpur, being located in the centre of Barak valley and also being the meeting point of Cachar, Hailakandi and Sribhumi districts, enjoys an enviable location in this valley. Besides, it is the gateway to Barak Valley and is well connected with the three lifelines of this valley, namely rail, road and river. The heart enchanting hills of Panchgram, the distant blue hills of Meghalaya, the ever green surroundings with trees in bloom, paddy fields, ponds and a busy national highway in front have lent an idyllic view and provided urban facilities at the same time.

II. History

The beautiful and well-built Nabinchandra College that stands impressively in the heart of Badarpur town had its beginning in the late 1960s. The people of those years faced many a problem in sending their children for higher education to Karimganj or Silchar as there was no college between these two towns lying fifty-five kilometres apart. Distance, wastage of time and money, poor communication facilities were the chief hurdles which made them think about an alternative arrangement. The result was the unanimous decision of setting up a college at Badarpur. This noble idea soon acquired flesh and bones through the selfless and untiring efforts of the people of all walks of life in the form of a college on August 2 1969. The sweat and blood of the then staff, students and the general public helped in laying a strong foundation and in nurturing the new born educational institution.

As the college had no campus of its own, the classes of only Arts stream were run in a rented building, very close to the present site. The college was christened “Nabinchandra College” in 1971 after the late father of Basanta Kumar Das, a major donor from Karimganj town. It was shifted to the present site in 1974 and was brought under the deficit system of grants-in-aid rules of the Assam government in 1975. Since then it never looked back and always marched forward, crossing many a hurdle on the road to progress, achieving side by side the physical development of the college and the academic growth of the institution.

The College introduced **Commerce Stream** at H.S. level in 1981 and at degree level in 1984, which continued till 1989. After a gap of six years, the College re-introduced the Commerce Stream in 1996. At present It is a full fledged vibrant stream with core and honours courses as well as value added courses.

In the session 2006-07, the college introduced Science Stream at degree level and in 2008-09 at the H.S. level. At present the science stream has emerged as a full fledged vibrant stream with honours courses in Physics, Chemistry, Mathematics, Botany, Zoology and Ecology & Environmental Science.

Apart from this, NC. College, Badarpur is one of the five colleges of Assam and the only college under Assam University selected by DHE, Assam, to offer Bachelor Degree in Vocational Course (B.Voc) in Information Technology w.e.f the session 2017-18

The college is an Examination Zone of Assam University, Silchar, for Under Graduate Courses and has been working successfully since the session 2014-15.

The College had recognised the need to introduce Career oriented programmes at U.G. Level and accordingly has introduced in 2004-05 a course in **Functional Arabic** sponsored by **NCPUL, under H.R.D Ministry, New Delhi**. In 2006-07 Session, the college had introduced U.G.C. sponsored Career Oriented programmes in **Computer Application in Business, Marketing Management and Entrepreneurship Development**. A correspondence course centre under the Institute of Distance and Open learning (IDOL) of Gauhati University had functioned in this college for many years. The College also joined as a Partner Institute of Indira Gandhi National Open University (IGNOU) under its convergence scheme to offer different conventional and specialised courses to the aspirants of Badarpur and adjacent areas which worked for many years successfully. However, the same is not working presently due to general decision of IGNOU.

Over the years, the college has made significant progress on academic front— diversification of subjects and streams, increase in the intake capacity of the students, increase in the number of faculty members, upgrading the library facilities, laboratory facilities, auditorium, conference hall, smart class rooms along with considerable improvement in infrastructure and teaching-learning process.

III. Vision and Mission:

The college has set the following vision and mission :

1. Impart quality education to the learners in different branches of Arts, Commerce, Science & B.Voc
2. Disseminate knowledge to the youth irrespective of caste, creed, race, sex and religion.
3. Inspire and promote the education of the local youth particularly women and backward classes.
4. Promote physical, mental and moral growth of the youth with human values in order to enable them to face the complex challenges of life.
5. Foster the spirit of liberal humanism, tolerance, national integration, brotherhood and fellow feelings among the students in particular and the society in general, and to do all such things as may be conducive to the welfare of the students and the community at large.
6. Act for all such things which are ancillary or incidental to the attainment of all or any of the above-mentioned subjects, or which may be deemed conducive to the interests of the college.

B. INSTITUTIONAL NAAC ACCREDITATION

The National Assessment and Accreditation Council (NAAC), Bangalore, functions as an autonomous apex body established by the University Grants Commission (UGC) in 1994, with the mandate to advance quality assurance across higher education institutions in India. In alignment with this objective, a designated Peer Team, comprising three distinguished educational experts from various universities, conducted an evaluative visit to Nabinchandra College on the 20th and 21st of August, 2004, to initiate the First Cycle Accreditation. Following a comprehensive assessment of the institution's academic and administrative standards, the college was formally accredited with Grade B. This foundational accreditation represented a milestone development in the institutional history of the college. As a strategic post-accreditation quality enhancement measure, the college subsequently established the Internal Quality Assurance Cell (IQAC) to institutionalize mechanisms for continuous academic improvement. Operating on the principle that quality elevation is an ongoing endeavor, the IQAC is fully integrated into the institutional framework, actively working toward the realization of strategic goals centered on quality sustenance and enhancement. The leadership of the cell has been transitioned through a succession of dedicated coordinators: the inaugural Coordinator of the IQAC was Late Rajat Bhattacharya, former Head of the Department of English, succeeded by Sri Soumitra Choudhury, Assistant Professor in Economics; followed by Smt. Pragati Dutta, Assistant Professor in English; and currently Mr. Joynal Abedin Tafader, Assistant Professor in Commerce, serves as the Coordinator of the IQAC. A significant outcome of these sustained post-accreditation quality measures is reflected in the college's successful performance in subsequent evaluative exercises. The Second Cycle Accreditation concluded following a rigorous assessment by the NAAC Peer Team on January 31 and February 1, 2011, culminating in the re-accreditation of the institution with Grade B (CGPA 2.72). Progressing further, the NAAC Peer Team reconvened at the college on January 7th and 8th, 2019, to conduct the Third Cycle Accreditation, wherein the institution secured re-accreditation with a CGPA of 1.94, successfully navigating the transition to the newly implemented online accreditation framework.

Grading System

Calculation of Credit Point, SGPA and CGPA

Step 1. For each paper, total marks secured by a student in ESE and CCA (if any) will be converted to Grade Point (GP) on the basis of the following formula:

$$\frac{[\text{Marks secured in ESE} + \text{Marks secured in CCA (if any)}] \times 10}{[\text{Full Marks of ESE} + \text{Full Marks of CCA (if any)}]} = \text{Grade Point (GP)}$$

The calculated value of Grade Point be kept up to 2 (two) decimal places.

The following Letter Grade be assigned to the calculated value of Grade Point as per the 10-point Grading Scale:

<u>Grade Point</u>	<u>Letter Grade</u>
8.50-10.00	O
7.50-8.49	A+
6.00-7.49	A
5.50-5.99	B+
5.00-5.49	B
4.50-4.99	C
4.00-4.49	P
0.00-3.99	F
Absent	Ab

Step 2. Grade Point (GP) scored by a learner will be multiplied by the Credit (cr) assigned to the concerned Course and that will be the Credit Point (CP) for that particular Course. Thus, Credit Point (CP_{ij}) of the jth course of i semester is given by

$$\text{Credit Point (CP}_{ij}\text{)} = \text{Grade Point (GP}_{ij}\text{)} \times \text{Credit (cr}_{ij}\text{)} \quad (1)$$

(i=1, 2, 3, ..., 6; j = 1, 2, ..., n)

The calculated value of Credit Point be kept up to 2 (two) decimal places.

Step 3. Performance in a semester will be expressed as SGPA. Weighted average of the Credit Points of all successfully completed courses of the i^{th} semester will be used to calculate Semester Grade Point Average of i^{th} semester (S_i) as per the formula mentioned below:

$$SGPA (S_i) = \frac{\text{Sum of all credit points of the } i^{th} \text{ semester}}{\text{Total credits in the } i^{th} \text{ semester}}$$

$$= \frac{\sum_{j=1}^{n_i} CP_{ij} \sum_{j=1}^{n_i} CP_{ij}}{\sum_{j=1}^{n_i} cr_{ij} C_i}$$

-where,

cr_{ij} is the Credit of j^{th} course of i^{th} semester and CP_{ij} is as defined in (1),

C_i is the total credit of all courses under i^{th} semester.

Step 4. Cumulative performance of all the semesters will reflect overall performance in the whole programme. This cumulative performance is expressed as Cumulative Grade Point Average (CGPA) and it will be calculated as the weighted average of all the SGPAs (S_i ; $i=1,2,\dots,6$) where the weights are the total credit of each semester (C_i ; $i=1,2,\dots,6$).

Hence, the formula for CGPA is

$$CGPA = \frac{\text{Sum of SGPA of } i^{th} \text{ semester} \times \text{Total credit of } i^{th} \text{ semester}}{\text{Sum of Credits of all Semesters}}$$

$$= \frac{\sum_{i=1}^6 (S_i \times C_i)}{\sum_{i=1}^6 C_i}$$

Step 5. SGPA and CGPA shall be kept at 2 (two) decimal places and be reported in the Grade Card/ Transcripts with the following Letter Grade, Classification & Class/Division:

SGPA / CGPA	LETTER GRADE	CLASSIFICATION	Class/Division	
			Honours	General
8.50 — 10.00	O	Outstanding	First Class with Distinction	First Division with Distinction
7.50 — 8.49	A+	Excellent	First Class	First Division
6.00 - 7.49	A	Very Good	First Class	First Division
5.50 - 5.99	B+	Good	Second Class	Second Division
5.00 — 5.49	B	Above Average	Second Class	Second Division
4.50 — 4.99	C	Average	Second Class	Second Division
4.00 — 4.49	P	Pass	Pass Class	Pass Division
0.00 — 3.99	F	Fail	Fail	Fail
Absent	Ab	Absent	Absent	Absent

Conversion Formula:

Percentage of equivalent marks = (CGPA obtained x 10)%
